They will contribute in the preparation of the proposals, especially in matters related with strengthening of civil society and in the design of monitoring systems and evaluation of the impact of this information.

PC-FINJUS Consortium is ruled under an inter-institutional agreement where responsibilities of each institution before the program and USAID are defined, to keep communication with other participating institutions in a punctual way: to supervise team behavior, coordination and performance of each member, among others.

The objective of Project 517-A-00-09-00105-00 is to contribute to the modernization of political leadership and the party system in the Dominican Republic, specifically their institutionalism, internal democracy, managerial transparency and accountability, strengthening the presence of youth in politics. At the end of the Program, young leaders of political parties and civil society organizations, whose age range between 18 and 45 years, trained by the Program, contribute to the strengthening of their organizations' institutionalism, internal democracy, transparency and accountability.

II- OBJECTIVES

The objective of this engagement is to conduct a financial audit of the USAID resources managed by the Participación Ciudadana under Programs "Civil Society Action for Improved Public Sector Performance" and "Formation of Young Leaders of Political Parties in the Dominican Republic – Phase II", Nos. 517-A-00-09-00103-00 y 517-A-00-09-00105-00, respectively, for the period from September 1st, 2010 to September 30, 2011, in accordance with U.S. Government Auditing Standards issued by the U.S. Government Accountability Office and the USAID Office of Inspector General "Guidelines for Financial Audits Contracted by Foreign Recipients".

The financial audit includes the specific audit of all the recipient's USAID-funded programs.

Audit of USAID funds

Our audit of funds provided by USAID was performed in accordance with U.S. Government Auditing Standards, and consequently included those tests of the accounting records as deemed necessary under the circumstances, with the objective of:

A. Express an opinion on whether the fund accountability statement for the USAID-funded programs presents fairly, in all material respects, revenues received, costs incurred, and commodities directly procured by USAID during the period from September 1st, 2010 to September 30, 2011 in conformity with the terms of the agreements and generally accepted accounting principles of the cash basis.

- B. Evaluate and obtain a sufficient understanding of the internal control of Participación Ciudadana in relation to USAID-funded programs, assess control risk and identify reportable conditions, including material weaknesses in the internal control. This evaluation includes the internal control related to require contributions of cost sharing.
- C. Perform tests to determine if Participación Ciudadana has complied, in all material respects, with agreement terms and applicable laws and regulations related with USAID-funded programs.
- D. Determine if Participación Ciudadana has taken adequate corrective actions on prior audit report recommendations.

We designed audit steps and procedures in accordance with U.S. Government Auditing Standards, Chapter 4, to provide reasonable assurance of detecting situations or transactions in which fraud or illegal acts have occurred or are likely to have occurred. If such evidence exists, we will contact RIG/San Salvador Office and will exercise due professional care in pursuing indications of possible fraud and illegal acts so as not to interfere with potential future investigations or legal proceeding, or both

Review of Cost Sharing

To determine whether contributions of cost sharing were provided and accounted for by the recipient in accordance with the terms of the agreement.

III- SCOPE AND AUDIT PROCEDURES

The material audit procedures applied during our review were:

A. Fund Accountabilty Statement

We examined the Fund Accountability Statement for USAID program including the budgeted amounts by category and major items; the revenues received from USAID/Dominican Republic for the period from September 1st, 2010 to September 30, 2011, the costs reported by Participación Ciudadana as incurred during that period, and the commodities directly procured by USAID/Dominican Republic for Participación Ciudadana's use.

- 1. We examined direct and indirect costs billed to and reimbursed by USAID/Dominican Republic and costs incurred but pending reimbursement by USAID/Dominican Republic, identifying and quantifying any questioned costs. All costs that were not supported with adequate documentation or that were not in accordance with the agreement terms were reported as questioned. Questioned costs that were pending reimbursement by USAID/Dominican Republic were identified in the sections of findings and in the notes to the fund accountability statement as not reimbursed by USAID.
- 2. We examined accounting and Project ledgers to determine whether costs incurred were properly recorded and paid. We reconciled direct costs billed to and reimbursed by USAID to the project and general accounting ledgers.
- 3. We reviewed the procedures used to control funds, including their channeling to contracted financial institutions or other implementing entities. We reviewed the bank accounts and the control of those bank accounts and performed positive confirmation of balances, as necessary.

- 4. We determined whether advances of funds were justified with documentation, including reconciliations of funds advanced, disbursed and available. We ensured that all funding received from USAID/Dominican Republic were appropriately recorded in the project's accounting records and that those records were periodically reconciled with information provided by USAID/Dominican Republic.
- 5. We determined whether Project incomes and reimbursements, if any, representing recoveries of direct and indirect costs, were recorded as incomes or credits in the cost accounts of the Project.
- 6. We reviewed procurement procedures and service contracts to determine whether sound commercial practices were used, including competition, reasonable prices, adequate quality controls and quantities received.
- 7. We reviewed direct salary charges and determined if salary rates were reasonable for the positions, in accordance with those approved by USAID/Dominican Republic and supported by appropriate payroll records. This examination included:
- 8. To determine if overtime was charged to the Project and whether it is allowable under the terms of the agreement.
- 9. To determine if fringe benefits received by the employees were in accordance with the terms of the agreement.
- 10. We examined travel and transportation charges to determine whether they were adequately supported and approved.
- 11. We verified commodities whether procured by the recipient of directly procured by USAID/Dominican Republic for the project's use. We determined if:
 - (a) They were accounted for;
 - (b) Control procedures exist and have been place in operation to adequately safeguard the commodities; and
 - (c) Commodities were used for intended purposes as established in the agreement.
- 12. We reviewed technical assistance and services procured by the beneficiary, and those directly procured by USAID/Dominican Republic for the beneficiary's use. We determined if the technical assistance and the services were:
 - a) Used for their intended purposes in accordance with the terms of the project,
 - b) Adequately documented by the beneficiary as required by the terms of the agreement; and
 - c) Properly accounted for.
- 13. We examined whether the process of biddings and the adjudication of subprojects to contractors were in accordance with the policies and procedures established in the contractual law of Partcipación Ciudadana.
- 14. We reviewed periodical technical reports issued by the teams assigned to agreed works, and also observed television, radio and written publications performed as justification of the investment for the Project execution.

B. Internal Control

We examined and evaluated the beneficiary's internal control in relation to USAID/Dominican Republic projects to obtain an understanding of the design of policies and control procedures and to determine whether they have been placed in operation.

- 1. We obtained an understanding of the internal control in order to plan the audit and to determine the nature, opportunity and reach of the audit tests to be performed.
- 2. We assessed inherent risk and control risk, and determined the combined risk to prevent or detect material weaknesses.
- 3. We summarized the risk assessments for each assertion in the audit documentation under the following categories:
 - a) Existence or occurrence;
 - b) Integrity;
 - c) Rights and obligations;
 - d) Valuation or distribution; and
 - e) Presentation and disclosure.
- 4. We evaluated the control environment, the adequacy of the accounting system and the control procedures. We emphasized the policies and procedures that pertain to the recipient's ability to record, process, summarize and report financial data consistent with the assertions embodied in each account of the fund accountability statement. Our evaluation included, but not was limited to the following:

C. Compliance with Agreement Terms and Applicable Laws and Regulations

In planning and conducting the tests of compliance, we took in consideration the following:

This must be based on the risk assessment in 1.b above;
- 5) We prepared a summary in the audit documentation identifying each of the specific compliance requirements included in the review, the results of the inherent, control and (detection) risk assessments for each compliance requirement, the audit steps used to test for compliance with each of the requirements base don the risk assessments, and the results of the compliance testing for each requirement. The summary was cross-indexed to detailed audit documentation that adequately supports the facts and conclusion contained in the summary document.
- 6) We determined if payments were made in accordance with agreement terms and applicable laws and regulations.
- 7) We determined if funds were expended for purposes not authorized o not in accordance with applicable agreement terms.
- 8) We identified cost not considered appropriated, classifying and explaining why these costs were questioned.
- 9) We determined whether commodities directly procured by USAID/Dominican Republic were not accounted for not been used for agreement purposes.

The reportable conditions and findings of internal control related to the provision and the accounting for of the contributions of cost sharing were presented as findings at the internal control report. Any contribution of cost sharing not provided by the beneficiary accordingly to the terms of the agreements and to the project requirements was questioned at the schedule of cost sharing as payable to the beneficiary, Any contribution of cost sharing not accounted for in books in accordance to the terms of the agreements was questioned as not supported expense. Independent Auditors' Report on the Fund Accountability Statement

Sir:

Lic. Javier de Jesús Cabreja Polanco Executive Director Participación Ciudadana Wenceslao Alvarez Street, No. 8, Zona Universitaria Santo Domingo, Dominican Republic

We have audited the fund accountability statement of *Participación Ciudadana*, of funds provided by U.S. Agency for International Development, Mission to Dominican Republic (USAID/Dominican Republic) for the Programs "Civil Society Action for Improved Public Sector Performance" and "Formation of Young Leaders of Political Parties in the Dominican Republic –Phase II- Nos. 517-A-00-09-00103-00 and 517-A-00-09-00105-00, for the period from September 1st, 2010 to September 30, 2011. The Fund Accountability Statement is a responsibility of Participación Ciudadana's management. Our responsibility is to express an opinion on the Fund Accountability Statement based on our audit.

Except for what is expressed in the next paragraph, our audit on the fund accountability statement was performed in accordance with U.S. Government Auditing Standards issued by the Comptroller General of the United States of America. These standards require us to plan and perform an audit to obtain reasonable assurance whether the fund accountability statement is free of material misstatements. An audit involves the examination, based on selective tests, of evidence about the amounts and disclosures in the Fund Accountability Statement. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the Fund Accountability Statement. We believe that our audit provides a reasonable basis for our opinion.

Our audit firm has not been an objet of a quality control external review by an unaffiliated audit organization, as it is established by the Government Audit Standards, paragraphs 3.50 and 3.55, chapter 3. This review is not required by the organizations ruling Dominican Republic accounting firms.

We accept this deviation of the financial audit requirements established by the Government Auditing Standards, but we must inform that our firm participates at the quality control of the international office Leading Edge Alliance, which requires that every three years our office receives a quality control review performed by the affiliated offices.

In our opinion, the accompanying fund accountability statement presents reasonably, in all material respects, program's incomes, incurred costs and reimbursements, commodities and technical assistance directly procured by **USAID** for the period from September 1st, 2010 to September 30, 2011, in accordance to agreement terms and in conformity with the accounting basis described in Note.

As established by the U.S. Government Auditing Standards, we have also delivered our reports dated January 16, 2012, about our consideration on the *PARTICIPACION CIUDADANA's* internal control on the financial reports and our tests of compliance with certain laws and regulations. These reports are an integral part of our audit performed in accordance to U.S. Government Auditing Standards and should be read in conjunction to the independent auditor report when considering the results of or audit.

The purpose of this report is to inform *PARTICIPACION CIUDADANA* and **USAID**. However, upon released by **USAID**, this report is a matter of public record and its distribution is not limited.

Independent Auditors Report on the Cost Sharing Shedule

Sir:

Lic Javier de Jesús Cabreja Polanco Executive Director **Participación Ciudadana** Wenceslao Alvarez Street No. 8, Zona Universitaria

Zona Universitaria
Santo Domingo, Dominican Republic

Sir:

We have examined the Schedule of cost sharing of *Participación Ciudadana*, of funds provided from the U.S. Agency for International Development, Mission Dominican Republic (USAID/Dominican Republic) for the Programs "Civil Society Action for Improved Public Sector Performance" and "Formation of Young Leaders of Political Parties in the Dominican Republic – Phase II – Nos. 517-A-00-09-00103-00 and 517-A-00-09-00105-00, for the period from September 1st, 2010 to September 30, 2011. Our examination was performed in accordance with the standards established by the American Institute of Certified public Accountants (AICPA). The purpose of our examination was to determine if the schedule of cost sharing is presented in accordance with the accounting basis described in Note A, We also considered the internal controls related to the provision and accounting of the contributions of costs sharing.

A review mainly consists of interviews to beneficiary's personnel and the application of analytical procedures to the financial information. A review has a more limited scope than a test, which objective is to express an opinion on the Schedule of cost sharing. Therefore, we did not express an opinion.

Based in our examination, there was no evidence that make us believe that *PARTICIPACION CIUDADANA*, is not reasonably presenting the schedule of cost sharing, in all material respects, accordingly to the accounting basis used to prepare the schedule of cost sharing.

This report is intended to inform *PARTICIPACION CIUDADANA* and the *U.S Agency for the International Development (USAID)*. However, once released by USAID, this report is a matter of public record and its distribution is not limited.

Independent Auditors' Report on Internal Control

Sir:

Lic Javier de Jesús Cabreja Polanco Executive Director Participación Ciudadana Wenceslao Alvarez Street No. 8, Zona Universitaria Santo Domingo, Dominican Republic

Dear Sir:

We have examined the fund accountability statement of *Participación Ciudadana*, of funds provided by U.S. Agency for International Development, Mission to Dominican Republic (USAID/Dominican Republic) for the Programs "*Civil Society Action for Improved Public Sector Performance*" and "Formation of young Leaders of Political Parties in the Dominican Republic – *Phase II*" – *Nos.* 517-A-00-09-00103-00 and 517-A-00-09-00105-00, for the period from September 1st, 2010 to September, 2011, respectively, and we have issued our report dated January 16, 2012. We have also examined the schedule of costs sharing, separately.

Except for not having an external review on quality control performed by an unaffiliated audit organization, as it is described in the third paragraph of the report on the Fund Accountability Statement, our audit was perform in accordance to U.S. Government Audit Standards, issued by the Comptroller General of the Unites States of America. When planning and performing our audit we considerate the organization internal control on the financial information (Internal Control) as the basis to design our audit procedures and to express an opinion on the Fund Accountability Statement, but not with the purpose of expressing an opinion on the effectiveness of the organization internal control. However, we did not express an opinion on the effectiveness of the internal control of the organization.

A deficiency of internal control exists when the design and operation of a control does not permit management or employees, in the normal course of their assigned functions, to prevent or detect mistakes opportunely. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's Fund Accountability Statement will not be prevented or detected on a timely basis.

Our consideration of the internal control was limited to the purpose described in the first paragraph and was not designed to identify every internal control deficiencies that could be deficiencies, significant deficiencies or significant weaknesses. We did not identify any deficiency in the internal control as significant weakness, in conformity with the precedent paragraph.

This report is prepared to inform *PARTICIPACION CIUDADANA and U.S. Agency for International Development (USAID/Dominican Republic)*. However, upon released by USAID, this report is a matter of public record and its distribution is not limited.

Independent Auditors' Report on Compliance

Sir:

Lic. Javier de Jesús Cabreja Polanco Executive Director Participación Ciudadana Wenceslao Alvarez Street No. 8, Zona Universitaria Santo Domingo, Dominican Republic

Dear Sir:

We examined the fund accountability statement of *Participación Ciudadana*, of funds provided by the U.S. Agency for International Development, Mission to Dominican Republic (USAID/Dominican Republic) for the Programs "Civil Society Action for Improved public Sector Performance" and "Formation of Young Leaders of Political Parties in the Dominican Republic – Phase II –", Nos. 517-A-00-09-00103-00 y 517-A-00-09-00105-00, for the period from September 1st, 2010 to September 30, 2011, and issued our report dated January 16, 2012. We also examined the schedule of cost sharing separately.

Except for not conducting an external quality control review by an unaffiliated audit organization, as described in our opinion on the fund accountability statement, our audit was performed in accordance to U.S. Government Audit Standards, issued by the Comptroller General of the Unites States of America. These standards require to plan and perform the audit to obtain a reasonable assurance that the fund accountability statement is free of significant distortions resulting from violations to the terms of the agreement and laws and regulations that have a direct and material effect on the determination of the amounts in the fund accountability statement.

The compliance with the terms of the agreements and with laws and applicable regulations to grant agreements of, is the responsibility of the Executive Direction of *PARTICIPACION CIUDADANA*. To obtain a reasonable assurance that the fund accountability statement is free of material distortions, we performed compliance tests with certain terms of the agreement, laws and regulations. However, our objective was not to express an opinion on the general compliance with those clauses. Therefore, we did not express such opinion. We also performed compliance with certain terms of the agreements and applicable laws and regulations to contributions of costs sharing.

The results of our tests did not reveal instances of noncompliance that require to be informed under the U.S. Government Audit Standards.

This report is intended to inform *PARTICIPACION CIUDADANA and U.S. Agency of International Development (USAID)*. However, upon released by USAID, this report is a matter of public record and its distribution is not limited.
